1. Outlines of Choice Based Credit System(Arts / Science / Commerce stream)

Core Course(14 papers) for Bachelorsdegree in a particular discipline :

The course designed for papers under this category aim to cover the basics that a student is expected to imbibe in that particular discipline. A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course. In BA Pass course, MIL1, MIL2, English1 and English2 are also core courses. The Institution/student may refer to the Corresponding Language syllabus for the same.

Discipline Specific Elective (DSE) Course(4 Papers)

Elective courses offered under the main discipline/subject of study is referred to as Discipline Specific Elective. The list provided under this category are suggestive in nature and each University has complete freedom to suggest additional papers under this category based on their expertise, specialization, requirements, scope and need.

Generic Elective (GE) Course(4 papers)

An elective course chosen from an unrelated discipline/subject, with an intention to seek exposure beyond discipline/s of choice is called a Generic Elective. The purpose of this category of papers is to offer the students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective papers. **Universities can offer two papers each in two subjects as GE or four papers one subject. The BA pass course also offers 2 GE papers. Depending on the subject, GE1 and GE2 listed in each Honours syllabus may be used as models for the purpose.**

Ability Enhancement Compulsory Courses (AECC):

Paper I : Environmental Science.

Paper II :MIL Communication (English / Odia / Hindi / Sanskrit / Urdu / Telugu)

Skill Enhancement Courses (SEC):

These courses may be chosen from a pool of courses designed as per the availability of courses and faculty/suitability of thecollege, to provide skill-based knowledge. The main purpose of these courses is to provide students life-skills so as to increase their employability. A Student opting for Honours would have to take two SEC and a student offering Pass papers would take four papers of SEC. Some of the subject syllabi have also provided options in SEC.

The Autonomous institution/University through its Board of Studies need to suggest the necessary qualifications for teaching of the ability and skill courses. However, as a general practice, Specific language teachers can be assigned to teach AECC2. Life Science Faculty can be assigned to Environment Studies, English Faculty for Communicative English, Mathematics faculty to quantitative aptitude and Logical Reasoning, computer science or IT faculty for ICT related courses, commerce faculty for financial skills etc.

An undergraduate degree with Honours in a discipline may be awarded if a student completes 14 core papers in that discipline, 2 Ability Enhancement Compulsory Courses (AECC), minimum 2 Skill Enhancement Courses (SEC), 4 papers from a list of Discipline Specific Elective and **4 papers from one discipline or 2 papers each in two disciplines other than his/her core discipline.**
