No. 1460 /GWC, Date 03/11/2020

To

The Controller of Examinations
Sambalpur University, Jyoti Vihar, Burla

Sub: Comply of result of +3 Second Semester Examination 2019 Geography (GE-II).

Sir,

With reference to the subject cited above, the GE-II (Geography) of 2018-2021 batch is of 100 marks with division of 20 (internal) 80 (theory) according to syllabus. But they have appeared for 60 marks for theory which was a mismatch and it was intimated to the controller of examination through mail. When the marks are uploaded the division of marks was showing in computer as below 60 (theory), 15 (internal) & 25 (practical) but they have no practical in this GE-II. Due to this mismatch of uploading marks, students' results are showing failed.

Therefore I request you to kindly see the attachment of mail that has sent from the college, and the course of syllabus of GE-II, the mark foil and take the matter seriously for quick solution of this problem as the students are suffering in the point of their career, and the time limit for comply is within one month of publication of result.

Yours faithfully
